

Good afternoon Parents and Players,

I am writing with exciting updates regarding attendance at Roycemore's indoor Athletic competitions. We are thrilled to share that we will be opening up our building to allow two fans per student athlete for our games this Winter season. We deeply appreciate your support over the last two years and are looking forward to welcoming some of our most essential members of the community--the fans!

As our Athletic Programs dive back into the realm of interscholastic sports, we believe it is in our school's and our league's best interest to gradually welcome fans back into the building as part of a phased roll out. This is good news as we will finally be able to share our athletic program with the community. We will continue to assess the situation as it develops this winter and keep our community updated on any changes in fan status for the Basketball season.

Thank you for your patience and we look forward to seeing you in the fan section this season!

Both Long
Athletic Director

Updated Policy

- Participants make a timely exit after games.
- All individuals, including officials and visiting staff will be masked while indoors at Roycemore School.
- Outdoor mask break offered to those who need it.
- No post game handshakes. Players will wave/air fist bump in place of handshake lines at full time.
- Equipment will be sanitized before and after each game.

Our Health & Safety Approach for Athletics

As per Roycemore's [Health & Safety Plan](#), individuals are not permitted on campus if they present symptoms related to COVID-19. This same philosophy will extend to athletes. In addition, any COVID positive case within a team will be communicated ASAP to the opposing school's Athletic Director if contact with a positive case is found to have taken place during a game. In the case of a positive case on a team, other players must test negative in order to play. Questions can be addressed directly to me at blong@roycemoreschool.org
